PAVING TEXAS

BK Paving Sealer Coating was established in 2018. We have extensive expertise in the field of roadway paving and seal coat applications. Our years' of experience gives us the knowledge needed to complete every step of the process efficiently, and in the most cost effective manner. Our goal is to exceed your paving surface expectations, deliver the longest product viability and we will spare no effort to meet your objectives. Our number one priority is safety, then providing customer service and value to each of our clients.

'As President, my pledge to each of tirelessly to exceed your expectations and earn meeting you on the job site.' - James Hiser

Our mission is to be the preeminent provider of superior asphalt and sealcoat services. Through all services, we are consistently improving the quality of our work, and by delivering value for our clients through foresight, integrity, and reliable performance. Our extremely qualified team of Estimators, Project Managers, Administrators and General Support Professionals serve our clients with character and purpose; thus creating a successful partnership throughout project completion and delivery.

you is that myself and our team will work your trust and confidence. I look forward to President Et Owner
